Lesson Schedule

- You'll get a **monthly calendar** with your session dates.
- Sometimes lessons shift due to holidays or instructor swim meets—we'll let you know.

Parking & Entry

- Park in the **22nd Street lot**.
- Enter through **Door #12**.
- Check in at the **pool door** each week. Don't skip it!

Swimwear & Locker Rooms

- **Swimsuits are required.**
- **Goggles are highly encouraged.** We sell kid-approved pairs for \$15.
- **Long hair?** Please tie it back or wear a swim cap.
- Use **family locker rooms** if your child is over 6 and needs help changing.

Parents Poolside

- **Parents must stay seated** unless asked to come poolside.
- **No parents allowed in the water.**
- If your child is scared or nervous, please observe from the **upper deck**—it helps them bond with instructors.

Fast-Track Learning

We group by **skills**, not just age. Kids move up **as soon as they're ready**. Here's how our levels work:

- **Levels 1–2:** Go underwater, float independently
- **Level 3:** Kick on belly/back
- **Level 4:** Add arms, side breathing
- **Level 5–6:** Swim full laps (25–50 yds), tread water
- **Level 7–9:** Breaststroke, butterfly, endurance

👉 First day will be busy—we assess every swimmer individually. Trust the process. Our instructors are pros.

😞 Sick Day or Vacation?

We only offer **make-ups if WE cancel** (e.g. pool issue or instructor emergency). No make-ups for personal absences. That's how we keep lessons affordable.

💬 A Note from Dawn

Hi! I'm Dawn and I've managed the backend, registration, and Facebook for 10+ years. Coach Jim owns the Swim America program, and Coach Steve is on deck.

I live in Cincinnati and work full-time, so you might not meet me in person—but I'm just an email or message away.
